MISS BESSIE PAINE HEADS CONTEST

Still Retains the Lead by 19215 Votes. Kathleen Rounds Second Place With 107830 Votes Triple Votes May Make Big Change in the Race for Dispatch's Prizes.

Did you make a fresh start yesterday to avail yourself of the triple votes offered? Or did you enter your name as a contestant for the first time? You should have done one or the other and not have wasted one minute of time this week.

Take Miss Mae Murphy for an example. She was not afraid of making a late start, and she was eminently correct. Look at her score in the contest today. You may do as well. She has hosts of friends and gets more each day. The public generally admire the sort of pluck that this lady has displayed. Enter the contest today. You can do the same thing if you have the ambition and the energy. That is all that is wanted. If you display energy and ambition you will not only please your friends, who are already helping you, but you will attract others.

There is something more than the triple votes that you will get on the subscriptions you obtain because besides the triple votes you are increasing your reserve with votes that will make you win.

PLAN YOUR WORK

The best way to get votes is to lay out a plan for some definite campaign for gathering in the subscriptions. Then work along the lines you have laid out for yourself; in other words, plan your work and work your plan. To be idle is the most ruinous thing in the world, and to be idle now after the start you have made will be the most ruinous thing in the world for you in this contest because it may mean defeat. Don't let your thoughts (I have votes enough) mislead your better judgment because if you stop to consider you know you haven't.

DON'T PASS UP THIS

OPPORTUNITY

Don't pass up the opportunity that Triple-Vote week affords you. It is positively the best offer of the contest, and you will get no more votes for your subscriptions than you will get this week and when we say this we mean EXACTLY what we say. YOU WILL POSITIVELY GET NO MORE VOTES ON YOUR SUBSCRIPTIONS THAN THIS WEEK. Bear this in mind for it is the best offer that will be made during the entire contest of any kind or description. And it closes at 10 o'clock Wednesday night, June 15. Promptly at that time the doors of the Dispatch office will be closed and locked, so get your subscriptions in if you want to get triple votes on them.

PERSONAL MENTION

Miss Kathleen Rounds today jumps from third to second place by increasing her standing by 20,000 votes. Miss Rounds is fighting hard and is certainly gathering in the votes from the host of friends and backers she has. With Miss Rounds it is "The Dispatch" Model 10, or nothing. Her motto is "Pike's Peak or Bust." And at the rate she is gathering in the votes it looks as if the other contestants had better keep their eyes open or she will gain the goal.

Miss Bertha Mahlum drops back to third place with 97530 votes.

Miss Gertrude Peterson today occupies the fourth place in the Dispatch's contest, her standing being 62506. Miss Peterson seems to have things all her own way in District 1.

Miss Evelyn Pirie in District 3 is in fifth place today in the Dispatch's Mammoth Contest, her standing being 45665, an increase of 6000 over her standing of yesterday. Miss Pirie is saving wood and if the candidates don't look out she will give them a race they never dreamed of.

Miss Aletta Saltee still retains the sixth place. Miss Saltee has little to say, but she is gathering in the subscriptions all the time, very quietly and methodically and she is very apt to give the leaders a surprise any day.

Miss Dolly Mahlum holds seventh place with the top notchers.

ALICE THAW.

Former Countess of Yarmouth Recovers Her Marriage Dower.

ALICE THAW GETS DOWER

Huge Properties Returned to Former Countess of Yarmouth.

Pittsburg, June 10.—A deed of conveyance has been recorded here which practically returns to Alice Thaw, sister of Harry Thaw and formerly Countess of Yarmouth, the marriage dower that was executed at the time of the wedding of Miss Thaw to the Earl of Yarmouth in this city in 1903. The properties involved produced an income of \$500,000 a year.

GOVERNOR VESSEY IS AHEAD OF EGAN

Latter Admits Defeat in Primary Election.

St. Louis, S. D., June 10.—The latest sensation in reference to the governorship was the posting of a bulletin stating that the Egan headquarters concede the renomination of Governor Vessey. Incomplete returns show Governor Vessey has won out by a majority over Egan of upwards of 1,300. Vessey's renomination also is conceded by the stalwarts.

The interest centered largely in the governorship, and because of this, comparatively few of the reports included the vote on congressmen and the state ticket. The stalwarts continue to claim they have succeeded in renominating Congressman Martin and Burke. The impression is growing, from what reports have been received, that the claims of the stalwarts are well founded.

Burke, in particular, has been a strong supporter of Speaker Cannon, but this does not appear to have influenced the voters to any great extent, which, doubtless, is due to the fact that Burke has a very large personal following in South Dakota. While Congressman Martin has been more independent in his course in congress he, too, has a large personal following among the voters of the state.

It is believed that not until the official count is announced will the result of the primary on the state ticket, other than governor, be definitely known. However, the stalwarts claim to have won out on practically all of the state ticket, with no doubt of State Treasurer Johnson's renomination.

BOTH SIDES CLAIM CONTROL

Iowa Republican Factions Do Not Agree on Convention.

Des Moines, June 10.—With semi-official returns in from every county in the state both the progressives and standpatters are claiming control of the state convention Aug. 3.

Frank D. Jackson, in a statement, declared that the standpatters would have a majority of at least 150. The progressive managers of the Garst-Dolliver-Cummins headquarters scoff at the claim and declare they will have a lead of 100.

The convention will be made up of 1,383 delegates and it will take 692 to control it. The progressives declare they have carried enough counties to warrant their claim of 650 delegates and they believe the total will be increased to 800.

Governor Carroll's majority will reach almost 4,000.

Mining Warehouse Destroyed.

Taconic, Minn., June 10.—Fire completely destroyed the warehouse of the Oliver Iron Mining company here. The building was just completed five days ago and was fully stocked with supplies, having only recently been occupied. The loss is estimated at \$30,000. The origin of the fire is unknown.

Sunday School Workers to Meet.

Willmar, Minn., June 10.—The young people's and Sunday school convention of the Minneapolis district of the Swedish M. E. church will be held at Kandiyo, this county, June 15 to 19. A number of men prominent in the church will address the convention.

Clover Fields Suffer.

Fertile, Minn., June 10.—Farmers west of here feel much anxiety regarding the appearance of great swarms of young grasshoppers. Clover fields already have suffered heavily from the insects.

REFUSES TO SEE HARRISON

President Taft Snubs New York Congressman.

CALLS AT THE WHITE HOUSE

Empire State Representative Visits Executive Office With a Delegation and Is Informed by Secretary Norton That the President Did Not Desire to Speak With Him.

Washington, June 10.—President Taft declined to receive Representative Francis Burton Harrison, Democrat, of New York, who called at the White House in company with two other representatives to introduce a number of Jewish rabbis who took up with the president the question of the expulsion of Jews from Russia.

The president received the delegation and chatted with its various members for fifteen minutes or more. Representative Goldfogle of New York acted as spokesman and so adroitly had the situation been handled by Secretary Norton that not one of the callers knew anything of the incident until Representative Harrison returned to the Capitol and there made a statement to the effect that he had been rebuffed by the president.

Mr. Taft based his refusal to see Mr. Harrison on statements attributed by newspapers to the representative in connection with his resolution in the house calling upon Attorney General Wickersham for full information as to the connection of his office with the Ballinger-Pinchot episode. Mr. Harrison, according to the White House version of the matter, charged the president and the attorney general with having wilfully attempted to mislead congress in the back dating of the attorney general's summary of the Glavis charges against the secretary of the interior.

Would Not See Harrison.

Mr. Norton said that during the congressional recessing hour he noticed Representatives Harrison and Goldfogle of New York and Representative Kelliher of Massachusetts with the party of rabbis at the head of the line awaiting admission to the president's office. He spoke to all of the members of the party and a few moments later informed the president of the presence of the delegation. Mr. Taft announced that he would be glad to receive every member of the delegation but Mr. Harrison. He declared that because of the newspaper statements made by Mr. Harrison he did not desire to speak with him.

Secretary Norton thereupon invited Mr. Harrison into his office, saying he had some affairs to discuss with him. Meantime he had the party shown into the president's office at the appointed hour and asked Mr. Goldfogle to introduce the callers in Mr. Harrison's absence.

It was the first time Mr. Norton had ever met Mr. Harrison and when the two were alone the secretary said he was extremely sorry that the first meeting should be the occasion of a disagreeable duty. He told Mr. Harrison the president would not see him. Mr. Harrison asked if Representatives Goldfogle and Kelliher and the others in the party knew that the president had barred him out. Mr. Norton replied that no one knew but they two. Mr. Harrison said he thought it unnecessary for the others to know anything about it and thereupon left, saying he was going to the Capitol.

Mr. Harrison was quoted on May 13 as having said of the back dating of the Wickersham summary:

"This confession of the attorney general amounts to a conclusion that the president and the attorney general had agreed to furnish to congress misleading information—to supply an official document as of one date which was really prepared many weeks later."

FINDS MAN WITH HIS WIFE

Night Operator Takes a Gun and Kills Visitor.

Woodruff, Wis., June 10.—James Phillips shot and killed Roy Boreman. Phillips was employed as night operator for the Northwestern road.

He was working until 11 o'clock, and after that he went home and found Boreman at his residence with his wife. He picked up a gun and fired, the bullet entering Boreman's spine.

Boreman ran about 200 feet and fell dead.

Mamma's Own Daughter.

His Daughter—Daddy, you were twenty-five when this was taken, weren't you? Why, you might have sat for it yesterday.

Her Father—My yes; your mother's own daughter. Well, well, you'll find it on the table, I think.

His Daughter—Find what, daddy, darling?

Her Father—The check book, my own lamb.—New York Journal.

Adopts Conference Report.

Washington, June 10.—The conference report on the river and harbor bill, which contains a number of items of interest in the Northwest, was adopted by the senate. Senator Bailey's opposition to the report fell flat and Senator Nelson secured its adoption on a record vote.

OSCAR HAMMERSTEIN.

New York Theatrical Manager Not Allowed to Visit Russia.

HAMMERSTEIN BARRED OUT

Theatrical Manager Not Allowed to Visit Russia.

St. Petersburg, June 10.—Permission has been refused to Oscar Hammerstein, the theatrical manager of New York, to visit Russia. It was Mr. Hammerstein's original intention to come to St. Petersburg to secure Russian dancers.

FOUR PEOPLE ARE KILLED BY TRAIN

Funeral Party Run Down at Railroad Crossing.

Haverstraw, N. Y., June 10.—Three mourners, their pastor and their driver, set in a funeral coach here and watched certain death come rushing on them. A heavy West Shore freight engine, hurrying south to pick up a train at Weehawken, crashed into the coach, scattering its occupants along the right of way, and came slowly to a halt 150 yards beyond the crossing. All the occupants were either killed outright or fatally injured. The dead are:

Rev. A. Romath, pastor of the New City M. E. church.

E. V. Seifred, New City, N. Y.

Mrs. E. V. Seifred, New City, N. Y.

William Beebe, Haverstraw.

Fatally injured:

Mrs. Perry Kessler, skull fractured, both legs broken and body crushed.

The accident happened at the foot of Graveyard hill, in full sight of the returning procession, of which the wrecked coach was the first, and of the terrified and helpless watchman.

The watchman was eating luncheon in his little cabin when the tinkle of an electric bell warned him of an approaching train. Mechanically he pulled the lever that set the heavy, balanced gates in motion.

The gates, late in descending, blocked the coach after it had crossed the first of two tracks and held it prisoner on the rails while the terrified occupants sat paralyzed gazing at the onrushing locomotive. The driver lashed his horses in a futile attempt to force the vehicle from the track, but in vain.

The bodies of Mr. and Mrs. Seifred were found side by side fifty yards down the track. The wife was just returning from the burial of her father, by whose death she had come into a tidy fortune. Young Beebe, the driver, was the son of a wealthy Haverstraw family. He lay twenty yards nearer, dead. Rev. Mr. Romath was the clergyman who had officiated at the funeral.

SHORN OF MUCH SPLENDOR

But Roosevelt's Visit to England Was Noteworthy.

London, June 10.—Theodore Roosevelt's brief visit to England, though unfortunately coinciding with the period of national mourning and for that reason shorn of much of the splendor which would have accompanied it under happier circumstances, was nevertheless, one of the most noteworthy foreign visits paid to Great Britain's shores in recent years.

No foreign ruler or other man of eminence could have aroused more universal attention, received a warmer welcome or achieved a greater popularity among all classes of society. It is true that his strictures on Egyptian affairs occasioned political resentment in some quarters, but he left no rancor behind, because he was regarded as a privileged guest, in whom no unworthy or unfriendly motive could be suspected, and the frankness of his utterances is taken as a measure of the strength of the friendship binding the two nations.

Three Hurt in Auto Accident.

Minot, N. D., June 10.—In an auto accident ten miles from this city Arthur Upham, Adolph Sorenson and Ralph Larson received rather serious injuries. Upham was given the most serious jolt, receiving a broken arm, while Sorenson sustained a pair of broken ribs. The car struck a rock while they were making fast time, overturning and causing damage.

SAVINGS BANK BILL IS PASSED

CONNOR SPRINGS A COU.

Elected Chairman of Stalwart State Committee in Wisconsin.

Milwaukee, June 10.—W. D. Connor of Marshfield, former lieutenant governor and state chairman of the Republicans up to 1908, sprung a coup on the Taft Republican convention in its closing hour. Whereas he had been entirely disregarded in the preliminaries by the old stalwart leaders who inaugurated the movement, he was elected chairman of the state committee which is to have charge of the fight against the progressive Republicans of Wisconsin in the primaries.

The resolutions adopted declare the adherence of the Republicans of Wisconsin to the principles of the party as enunciated in the last national platform; commend the administration of President Taft and laud his action, "under difficulties and against opposition that tried to the utmost his patience and forbearance," in approving the new tariff; endorse the administration of Governor James O. Davidson; call for the budget system of disbursement of state revenues, for the fullest publicity of campaign expenditures, and frequent and regular party councils, when officers and committees shall be appointed whose duties it shall be to arrange for a reorganization of the party in the state.

The candidacy of Senator George B. Huddall of Superior for lieutenant governor on the stalwart Republican ticket at the primaries was announced by H. H. Grace of Superior at the conference. He is forty-six years old, an attorney, and is serving his third term as senator from the Eleventh district.

His opponent at the primaries will be Senator Tom Morris of the La Crosse district, who is the candidate of the progressives.

Sustained by the Senate.

Washington, June 10.—The action of the senate committee on appropriations in striking out of the sundry civil appropriation bill the house provision directing that no part of the money appropriated for enforcing the antitrust law shall be utilized in the prosecution of combinations looking to the increase of wages, the shortening of hours and the betterment of the conditions of labor was sustained by the senate after an animated debate. The vote was 34 to 16.

Peary Sued for Big Sum.

Berlin, June 10.—Rudolph Francke, who was associated with Dr. Frederick A. Cook in Arctic exploration, has brought suit against Commander Robert E. Peary for \$10,000. The amount is estimated at half the value of furs and walrus which Francke bought from natives in the Arctic regions upon arrangements with Dr. Cook that they should share them half and half.

Detective Tells of Horde of Cracksmen in Wisconsin.

House Takes Favorable Action on the Measure.

HAMMOND SPEAKS FOR IT

Democratic Congressman From Minnesota Declares That the Measure Offered by the Republicans is Likely to Prove Constitutional, While That Presented by the Democrats Was a Nullity—Twenty-two Democrats Vote for the Bill.

Washington, June 10.—Representative Hammond of Minnesota was one of twenty-two Democrats who voted for the administration postal savings banks bill in the house, which passed, 195 to 101.

Mr. Hammond was the only Democrat to support the measure in a speech. He spoke on the subject for five minutes early in the day's debate. Mr. Hammond said that the Democrats as well as the Republicans were pledged to the enactment of postal savings bank legislation, and he accepted that pledge to mean that the legislation should be effective. He contended that the Republican bill was so drawn as to offer every probability of being constitutional, while the Democratic substitute prepared by Representative Finley and other minority members of the postoffice committee was a nullity. The majority of the Democrats did not like Mr. Hammond's speech, but on the final vote twenty other Democrats subscribed to the sentiment expressed by the Minnesotaan.

In fact, the measure had the united support of the house Republicans. On some of the intervening parts some of the progressives jumped the reservation, but in the windup they stood by the administration measure.

Side With Democrats.

On the motion to substitute the house bill for the senate bill Representatives Gronna of North Dakota, Hubbard and Woods of Iowa, Lenroot and Nelson of Wisconsin and Norris of Nebraska sided with the Democrats.

Under the terms of the postal savings bank bill passed by the house a board of trustees is created consisting of the postmaster general, the secretary of the treasury and the attorney general, who shall declare what postoffices shall become postal savings banks. Deposits in these banks made by any person shall not be more than \$100 a month or exceed a total of \$500. An account may be opened with \$1, but stamps of 10 cents each will be issued for those desiring to accumulate money to be deposited. On deposits 2 per cent per annum is to be paid.

Any depositor so desiring can change his deposits for government bonds to be issued in denominations of \$20, \$40, \$60, \$80, \$100 or \$500, to bear interest at 2½ per cent per annum. The money accumulated in the postal savings banks is to be deposited in both national and state banks in the vicinity of the postoffices in which the money is deposited by the people, such banks to pay 2½ per cent interest.

Five per cent of the total deposit is to be retained by the secretary of the treasury as a cash reserve. Not more than 30 per cent of these deposits may be withdrawn by the government at any one time for investment in bonds of the United States, the remaining 65 per cent to remain on deposit in the banks.

The banks are required to give as security for the deposits they receive "public bonds or other securities supported by the taxing power," which restricts such securities to some form of national, state, municipal or other such bonds approved by the board of trustees in charge of postal savings banks.

Will Double Track Division.

Minneapolis, June 10.—The Milwaukee road will double track the Hastings and Dakota division from Minneapolis to the South Dakota line. The Puget Sound extension is accumulating enormous business and moving it into Minneapolis. That a double track across Minnesota will be necessary to handle the traffic is the official determination. Work will be started at once at Granite Falls and Montevideo on grade elimination and new construction.

Two Men Badly Injured.

Minneapolis, June 10.—John J. Ingenuh, vice president of the Northeast Feed Mill company, driving his new forty horsepower automobile, occupied by himself and Henry J. Palmer, a northside Minneapolis liquor man, crashed broadside into a moving Soo line passenger train at a grade crossing. Both men were seriously, perhaps fatally, injured.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

One of the really striking moving pictures that has been obtained recently is the series of Mt. Aetna in eruption that are being shown at the Grand the last three days of this week. Actual pictures of this wonderful sight, depicted with marvelous clearness and detail. Well worth the time and trouble to see this picture alone, not to say anything of the balance of the good bill at the Grand.

1910 CLASS PICTURE TOMORROW

Brainerd Dispatch Will Print the Class of 1910 Group Picture Saturday

The Brainerd Daily Dispatch will print a large five column group picture of the graduating class of 1910 in Saturday's daily. This large picture was given a half page and a prominent position in Thursday's Duluth Herald.

It is to Miss Marie A. Canan's kindness, courtesy and generosity that we were able to secure this picture. Imbued with the idea of giving our high school all possible prominence as well as advertising our city, she took, without remuneration, 54 negatives, then selected the best of each to make the large group picture. This was sent the Duluth Herald by John A. Hoffbauer and then purchased by him for use in the Brainerd Daily Dispatch.

Finished copies of this group photograph or of the individual pictures may be procured from Miss Canan. This is the first time in the history of the schools of Brainerd that any picture of any class has ever been printed in any paper, and the two above mentioned people of Brainerd secured this publicity, valuable alike to the high school and to the city.

Orders for extra copies of the Brainerd Daily Dispatch for Saturday should be filed before three o'clock.

NOTICE

Brainerd Homestead No. 602, B. A. Y., will hold a special meeting next Monday evening, June 13th, at 8 p. m. in their hall. All members are requested to be present. Important business will be transacted.

"White Lead my House"

WHITE lead and linseed oil always mean paint—but all paint (unfortunately) is not white lead and oil.

¶ To say "paint my house" is like ordering "berries" when you want strawberries. You may get "gooseberries." Instead say: "White lead my house."

¶ Pure white lead is the only known white pigment which, when mixed with linseed oil, will produce durable, non-cracking, non-chipping paint.

¶ If an oil other than pure linseed is mixed with pure white lead the union will not be perfect.

¶ But use pure white lead and pure linseed oil and you have true paint—which stands by itself and by you.

¶ Have your house "white-leaded" (which means not only "painted" but "painted right.") Specify

Red Seal

pure white lead and the purity of the white lead will be a certainty. Any tint can be secured. Ask the painter—he knows.

The Conservation of Nature's Resources

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." For sale by all druggists. mwf

The Canary's Claws.

If you have a canary or other cage bird look to its claws from time to time, for in a state of captivity the bird's nails grow so long that they need cutting. If this be neglected the bird is in danger of getting its nails caught in the cage and hanging there till it dies. Use a sharp pair of nail scissors and take care not to cut more than just the tips of the nails. If you hold the bird in a good light you will see a little red "thread" in each nail. This you must avoid, or you will draw blood and hurt your little pet.

Scared Into Sound Health

Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free of all distress." For sale by all druggists. mwf
